

CAMELLIA PLACE

A CARING COMMUNITY OF DISTINCTION

Welcome to a new kind of assisted living.

It's connections that make life more beautiful.

The friend whose company gives you joy.

Family gatherings that bring a smile.

The comfort of your favorite things.

THIS IS CAMELLIA PLACE.

WE'VE BUILT A NEIGHBORHOOD, NOT A FACILITY.

Nature is the backdrop for life at Camellia Place. Stroll along nearly two miles of paved walkways, play with your grandchildren in the park, or visit with friends on the front porch.

Camellia Place is a distinctive neighborhood of six single-story homes and a community house. Each home features 16 individual suites with walk-in closets and private baths.

At the heart of the home, the open island kitchen is a gathering place for great food and conversation. Best of all, everything is designed with the safety and comforts of home and the personalized attention of a compassionate staff.

FILL YOUR DAYS WITH LIFE AT CAMELLIA PLACE.

Raid the cookie jar. Sing out loud, and perhaps a little off key.

Do things because you want to, not because you have to.

After all, it's not only where you live but
how you live that makes all the difference.

DINING

Sharing a meal at home with family and friends is one of life's simplest pleasures. It's a special time filled with heartwarming stories, a few laughs and farm-to-table fresh foods.

LIFE ENGAGEMENT

Living longer is seen as a time to cherish and is rewarded with abundant opportunities to thrive. From creative arts and yoga classes to group walks in the neighborhood, you'll find activities to enrich your life and make every day a special occasion.

HEALTH AND WELLNESS

With a focus on the special health needs of seniors, our caregivers work to improve life and living for our residents. Peace of mind comes with knowing assistance is available 24/7. On-site and on-call services by WellStar Health System physicians and clinicians enhance our efforts to optimize your health and wellness.

TWO PARTNERS. ONE MISSION.

Building on lifelong careers in healthcare, we founded Camellia Place to elevate expectations of assisted living and memory care. As lifelong southerners, we share a deep respect for family and understand the power of personal commitment.

Camellia Place is the reality of our separate but similar dreams. The camellia evokes images of hospitality and beauty and has its place in many family memories and photographs.

It's a reminder of where we grew up that connects us.

Camellia Place is inspired by our hearts with you in mind.

Lauren Clifton and Denise Swords
Founding Partners

Fueled by personal passions and belief in living life to its fullest, Camellia Place is the name and place that unites us in our mission to add more life to your years.

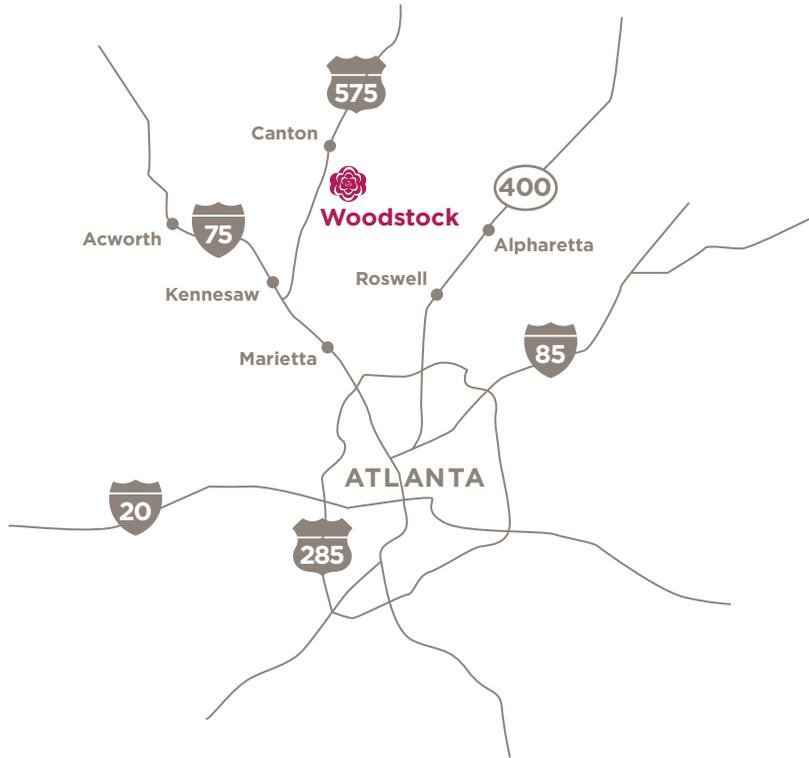

COST OF CARE

Our cost structure is simple and based only on the level of care needed, not on the floor plan or location of your suite within the home.

Cost of care starts with a base rate for your suite and basic services. Three additional care levels are tailored to individual needs for both assisted living and memory care. Suites range from \$3,900 to \$5,600 per month based on needs assessments.

LOCATION

Camellia Place is ideally situated in Woodstock, Georgia, a small town with the amenities of a growing community. Just 30 minutes north of Atlanta and close to interstates I-75 and I-575, Camellia Place is within walking distance from The Outlet Shoppes of Atlanta and less than two miles from historic downtown Woodstock.
